

Young Tribe Golf Program

The Young Tribe Golf Program is designed to introduce kids to playing golf on their own. We will start close to the hole and players will progress at their own pace to playing from further away. Players will begin on the green and as they pass levels work backwards from the hole in 25-yard increments. The goal is to get each player to complete 9 holes in 36 or less. Once a player completes a level at 36 or less, they will move back to the next level. This program will be on Tuesday evenings starting at 6:00 with a 30-minute clinic, followed by playing 9 holes with an instructor.
